One God One Life

Each month we will focus on one spiritual discipline. Follow us for weekly “Mission Training”- which is a brief introduction to the discipline of the month and a “Mini Mission” which is a practical way to express our love for God to our neighbour

We are so excited to BLAST OFF with you into loving God and loving others!

Get ready for some cool ways that we can blast closer to God – that’s our mission training – and serve others – that’s our mini-missions!

Check us out Starting Monday September 7th for our first Mission Training and Mini Mission.
